Experience the fun and laughter as Aesop's fables come to life through song, humor and an array of colorful and comical characters. Enjoy the stories of "The Milkmaid and Her Pail", "The Tortoise and the Hare", "The Fox and the Grapes", "The Fox and the Crab" and "The Fox and the Crow" as they entertain, as well as educate, through their simple yet insightful morals. Aesop's fables offer simple short stories that children can relate to their lives through some local-style retelling. Children are able to pick-up fun lessons in honesty, confidence, sincerity, patience, harmony and gratitude. Fun for young audiences and the young at heart.
